

Welsh Capital Masters 2012

Due to the proximity of the GB Masters in May, we are unfortunately forced to cancel this event for 2012.

**We are actively seeking to re-schedule for a date later in the year.
(Potentially as a short course meet).**

Please check the website for any further updates/announcements.

All being well, things will return to normal in 2013.

**Many thanks
The Cardiff Masters committee**
