## Gala details:

By Martin Neal

After last year's gala, which was just as successful, Gloucester's gala seems to be becoming a favourite for the club. It was good to see a dozen swimmers there, even if one disowned us on the day and pretended to be swimming for Barry (not actually their fault I should add)

Our major successes include Andrew Fawcett breaking the Welsh record for the 50 metres Breaststroke, Paul Pycroft getting medals in all of events, and gold in most of those, while Malcolm Wilson and Ann Wardell achieved gold in every event they entered.

The gala was a well-run, enjoyable event, marred only by one of our team discovering they had lost his entry and was unable to race. Pool-side commentary and between-races entertainment being provided by the announcer. Our two freestyle relay teams came first in both their events, and medals were earned for both the Medley teams.

When the final points were tallied our club came a close third. Without the slip of the lost entry we would have been in with a good chance at getting higher. Next year ...
